ADOPT A FAMILY

GREENWICH RESIDENTS
NEED YOUR HELP!

Every child deserves to experience the joy of opening presents during the holidays. The Adopt a Family for the Holidays program provides gifts for children and families of the Greenwich Department of Human Services (GDHS). Celebrate the holiday season by directly helping GDHS families experiencing financial challenges.

HOW THE ADOPT A FAMILY FOR THE HOLIDAYS PROGRAM WORKS

- GDHS collects necessary information to determine eligibility for participation in the program.
- Once vetted for support, a qualifying family will complete a Holiday Aid Wish List form.
- Once selected, adopters can view the family's contact information and wish lists. Adopters are asked to coordinate directly with their family regarding any questions, including questions about shipping or delivery.
- Gifts must be delivered no later than Tuesday, December 17, 2024.
